How can people join your campaign?

Set it up

People can install our app on their desktop or mobile devices to start donating.

Pick a campaign

They need to select a campaign to support. Also, they can switch anytime.

Share traffic & donate

Your audience needs to keep the CareBuzz app running to continuously donate!

Important information about CareBuzz

How is the internet connection used?

### SEO + Business Intelligence

SEO optimization and business intelligence requires a lot of public data. That's why business need our service!

Brand Protection

Many fake profiles can harm business reputation. We help scan the web to detect them.

Ad Verification

Nobody likes irrelevant ads. CareBuzz helps companies perform ad verification to target only the right audiences.

Make sure to mention at least one of the examples!

Read more **here**

App Testing

User experience is a top priority for any app. We help simulate traffic and optimize tests to help developers.

Content Delivery

CareBuzz helps in bypassing geographical restrictions for various content.

Price Comparison

To offer the best deals to their clients, businesses need to compare their prices with others.

Important information about CareBuzz

1 **What is CareBuzz**

CareBuzz is a revolutionary technology which allows you to collect donations from your audience at no cost to them. We convert unused internet into monetary donations via our patented technology.

2 **Security and data**

We have many security measures to ensure a fair and reliable service. Some of them are KYC procedure for our business partners, never accessing personal data or storage, traffic monitoring and more.

3 **How's CareBuzz different?**

CareBuzz works alongside other fundraising platforms, so it's an additional way to crowdfund. Also, platforms like Patreon or Contribee have fixed platforms fees while CareBuzz is 100% free to use for you and your audience!

4 **Campaign options**

CareBuzz is a free platform where your ideas can come to life. Looking to support environmental or social causes? Want to increase your brand reputation? We got you! Anything is possible with our crowdfunding platform.

Important information about CareBuzz

5 How do I get contributions?

You should regularly remind your audience about your campaign on your social media. It's up to you to promote your campaign. You'll reach your goal faster if your audience regularly shares internet on CareBuzz.

6 How do I get paid?

You'll need a Honeygain account which allows you to track your progress! Your payout options are PayPal or JumpTokens (for every crypto enthusiast). Request your payout by submitting a form to our Support team.

Tips for communication

Use the official CareBuzz brand visuals that you can find:
